

MONTENEGRIN SOCIETY OF ANESTHESIOLOGY AND INTENSIVE CARE
organizes

1st INTERNATIONAL CONGRESS OF ANESTHESIOLOGY AND INTENSIVE CARE

Program of the Congress

Friday, October 13th – Sunday, October 15th 2023
Hotel SPLENDID by Montenegro stars hotels group, Bečići/Budva, Montenegro
info@daicg.me

European Society of
Anesthesiology and Intensive
Care

ESAIC endorsed the 1st International Congress
of Anesthesiology and Intensive Care

Accredited International Congress of the
Health Council of the Republic of
Montenegro on the Continuing Education
Accreditation Program.

Friday, October 13th

08:00-09:00 Registration

Crnojević/Petrović Hall

09:00-10:00 OPENING CEREMONY

by Marijana Karišik, MD, PhD, Chair of the Scientific Committee

10:00-10:15 coffee break

10:15-12:45 HONORARY INVITED LECTURES

Chair: Marijana Karišik

10:15-10:45 Human factor in airway management

Massimiliano Sorbello, MD, FEAMS,

President of the European Airway Management Society

Director of UOC Reanimation PO Giovanni Paolo II - Ragusa, Catania,

Italy

10:45-11:15 The role of ultrasound in airway management

Alan Šustić, MD, PhD,

Head of the Department of Anesthesiology, Reanimation, Emergency and

Intensive Care Medicine, Faculty of Medicine University of Rijeka, Rijeka,

Croatia

12:15-12:45 Discussion

12:45-14:00 catering

11:15-11:45 European guidelines on neuromuscular blockage management

Radmilo Janković MD, PhD, FESAIC,

School of Medicine University of Niš,

Clinic for Anesthesiology, Reanimation, and Intensive Therapy University

Clinical Center Niš, Niš, Serbia

11:45-12:15 How to reduce the environmental impact of volatile anesthetic?

Ole John Nielsen PhD,

Member of the team that received the 2007 Nobel Peace Prize,

University of Copenhagen, Copenhagen, Denmark

Petrović Hall

14:00-17:00 Session: TRANSPLANTATION

Chairs: Marina Ratković, Marija Topalović Grković, Slađana Ćorac, Marija Krnjević, Goran Marjanović

14:00-14:15 Fifty-year experience of transplantations in Croatia

Jasna Stojić Brezak Prim, MD,
*Hospital's transplantation coordinator Clinical Hospital Center Zagreb,
Head of the Department for coordination of transplantations and explantations of Clinical
Hospital Center, Zagreb, Croatia*

14:15-14:45 Management of brain-dead donor for organ and heart transplantation

Saša Živković MD,
*Department of Anesthesiology and Surgical Intensive Care of University Medical Center
Ljubljana, Ljubljana, Slovenia*

14:45-15:00 Deceased donor transplantation, can we do it better?

Maja Mojsova MD, PhD,
*National transplant coordinator,
Medical Faculty Ss. Cyril and Methodius University Skopje,
University Clinic for Anesthesiology, Reanimation, and Intensive Care "Mother Theresa",
Skopje, North Macedonia*

15:00-15:30 Experience of transplantations in Federation of Bosnia and Herzegovina and chronic postoperative pain

Jasmina Jakupović Smajić MD, PhD,
*Clinic for Anesthesiology and Reanimation of the University Clinical Center Tuzla,
Medical Faculty University of Tuzla, Tuzla, Federation of Bosnia and Herzegovina*

15:30-15:45 Anesthesia tips in pediatric liver transplantation

Ina Filipovic Grčić MD,
*Department of Anesthesiology, Resuscitation and Intensive Care
University Hospital Center Split, Split, Croatia*

15:45-16:00 Kidney transplantation, experience in Montenegro

Marina Ratković MD, PhD,
Kidney transplants expert, Podgorica, Montenegro

16:00-17:00 Discussion

Crnojević Hall

14:00-15:45 Sessions: PAIN AND REGIONAL ANESTHESIA

Chairs: Meldijana Omerbegović, Kenan Erović

14:00-14:15 Opioids pain treatment in oncology patients

Nebojša Lađević MD, PhD,
Faculty of Medicine University of Belgrade, Belgrade, Serbia

14:15-14:30 New approach to pain therapy in acute postoperative period

Meldijana Omerbegović MD, PhD,
*Medical Faculty University of Sarajevo,
Department of Anesthesia and Intensive Care of University Clinical Center Sarajevo,
Sarajevo, Federation of Bosnia and Herzegovina*

14:30-14:45 Comparison of the efficacy of thoracic epidural analgesia and peripheral nerve block in thoracic surgery

Irena Simić MD,
*Department of Anesthesiology, Resuscitation, and Intensive Care Klinik am Park Lünen –
Klinikum Westfalen, Dortmund, Germany*

14:45-15:00 Thoracic spinal anesthesia, should it be endorsed?

Fatos Sada MD, PhD,
Faculty of Medicine University of Prishtina "Hasan Prishtina", Prishtina, Kosovo

15:00-15:15 Acute pain treatment in children

Diana Butković MD, PhD,
*Department of Pediatric Anesthesiology, Reanimation and Intensive Medicine Children's
Hospital, Zagreb, Croatia*

15:15-15:45-Discussion

Balšić Hall

13:15-14:45 Oral presentations I group

Chairs: Slavica Kvolik, Dragan Milošević, Ivana Budić

15:00-17:00 Session: SPECIAL THEMES

Chairs: Biljana Kuzmanovska, Ivan Palibrk

15:00-15:15 Implementation of the first ERAS protocol for Caesarean Section and its influence on our practice

Borislava Pujić MD, PhD,

University Clinic of Anesthesia, Intensive Care and Pain Therapy Obstetrics and Gynecology Hospital, University Clinical Center Vojvodina, Novi Sad, Serbia

15:15-15:30 ERAS protocol in liver surgery

Ivan Palibrk MD, PhD,

Faculty of Medicine University of Belgrade,
Department for Anaesthesia and ICU in Clinic for Digestive Surgery University Clinical Center of Serbia, Belgrade, Serbia

15:30-15:45 Abdominal compartment syndrome: management and treatment in ICU

Mirjana Shosholcheva MD, PhD,

Medical Faculty Ss. Cyril and Methodius University Skopje, Skopje, North Macedonia

15:45-16:00 Laparoscopy and an obese patient - challenges and solutions

Biljana Kuzmanovska MD, PhD,

University Clinical Centre "Mother Teresa" Skopje,
Medical Faculty Ss Cyril and Methodius University Skopje, Skopje, North Macedonia

16:00-16:15 Fetal and maternal outcomes for Caesarean delivery: comparing the effects of general vs regional anesthesia

Violeta Šanović MD,

Clinic for Anesthesiology, Intensive and Pain Therapy Clinical Center of Montenegro, Podgorica, Montenegro

16:15-16:30 Modern approach of surgical treatment in early detected breast cancer

Vladimir Dobričanin MD, PhD,

University of Montenegro Faculty of Medicine,
Thoracic center-Clinic for Surgery Clinical Center of Montenegro, Podgorica, Montenegro

16:30-17:00 Discussion

Petrović Hall

17:00-18:00 Industry Symposium

Chair: Marija Krnjević

17:00-17:30 URION

Low flow anesthesia

Lecture organizer Dräger Tehnika d.o.o., Medical, Belgrade, Serbia

17:30-17:45 FARMONT

Advanced vascular access

Maja Čižmešija - BD clinical specialist, Croatia

17:45-18:00 FARMONT

Innovative technology for positioning peripherally inserted central catheters

Maja Čižmešija - BD clinical specialist, Croatia

18:00-18:15 coffee break

Crnojević Hall

16:00-18:00 Session: **ANTIMICROBIAL MANAGEMENT**

Chairs: *Jasminka Peršec, Dejan Marković*

16:00-16:15 Antimicrobial prophylaxis in surgery

Mileva Mašanović MD,

Coronary unit Center of Cardiology, Clinical Center of Montenegro, **Podgorica, Montenegro**

16:15-16:30 Administrating antibiotics (intermittent or continuous) and role of TDI (therapeutic drug monitoring)

Dejan Marković MD, PhD,

Medical Faculty University of Belgrade,

Center for Anesthesiology and Reanimation University Clinical Center of Serbia, **Belgrade, Serbia**

16:30-16:45 Patient Safety in Anesthesia and Intensive Care: "Focus on nosocomial infections & simple measures saves lives"

Serban-Ion Bubenek-Turconi MD, PhD,

University of Medicine and Pharmacy Carol Davila,

Anesthesia and Intensive Care Unit-Institute of Cardiovascular Diseases "Prof. C.C. Iliescu", **Bucharest, Romania**

16:45-17:00 Multidrug resistant gram-negative infections in ICU-where are we now?

Jasminka Peršec MD, PhD,

Clinical Department for Anesthesiology, Resuscitation and Intensive Care Medicine, University Hospital Dubrava, **Zagreb, Croatia**

17:00-17:15 Epidemiology and outcomes of nosocomial infections in PICU

Marija Stević, MD, PhD,

Medical Faculty University of Belgrade,

University Children's Hospital, **Belgrade, Serbia**

17:15-17:30 Invasive candidiasis - causes, symptoms, treatment

Tatjana Vulović, MD, PhD,

Faculty of Medical Sciences, University of Kragujevac,

Anesthesiology and Intensive Care Department, University Clinical Center Kragujevac, **Kragujevac, Serbia**

17:30-18:00 Discussion

18:00-18:15 coffee break

Balšić Hall

17:00-18:00 Industry Symposium

Chair: *Natalija Trninić*

17:00-17:15 KONZILIJUM

Procedural sedation in patients undergoing ambulatory MRI

Svetlana Đuranović MD,

Department of Anesthesiology, Intensive Care and Pain Therapy, Clinical Center of Montenegro, and Policlinic "Konzilijum", **Podgorica, Montenegro**

17:15-17:30 FARMALAB

Sleep apnea and anesthesia

Igor Mitrić,

Indirect Sales Manager Balkans, Philips CEE, **Belgrade, Serbia**

18:00-18:15 coffee break

Petrović Hall

18:15-19:45 Session: NUTRITION

Chairs: Zoran Jovančević, Dragan Račić

18:00-18:15 Perioperative enteral nutrition in surgery

Dragan Šarić MD,

*Digestive Center - Clinic of Surgery Clinical Center of Montenegro,
Podgorica, Montenegro*

18:15-18:30 Application of parenteral nutritional support

Zoran Jovančević MD,

*Clinic of Anesthesia and Critical care, Clinical Center of Montenegro,
Podgorica, Montenegro*

18:30-18:45 Malnutrition and cachexia in cancer patients – early recognition and nutritional support

Jadranka Lakićević MD,

*Institute for Oncology, Clinical Center of Montenegro, Podgorica,
Montenegro*

18:45-19:00 Percutaneous endoscopic gastrostomy in pediatric population: surgical aspect

Saša Radović MD,

*Institute for Children's diseases, Clinical Center of Montenegro, Podgorica,
Montenegro*

19:00-19:15 Nutrition in PICU - anesthesiologists view, our experience

Dragan Račić MD,

*Department of Anesthesiology, Reanimation and Intensive Care, Institute
for Children's Diseases, Clinical Center of Montenegro, Podgorica,
Montenegro*

19:15-19:45 Discussion

19:45-20:15 Industry Symposium

Chairs: Zoran Jovančević, Dragan Račić

19:45-20:00 NUTRICIA

Enteral nutrition-food for health and strength

Danijela Jovanović Božinović sc ph,

Regional manager of Nutricia, Kotor, Montenegro

*Member of the European Society for Clinical
Nutrition and Metabolism (ESPEN)*

20:00-20:15 AMICUS

"SMOF" concept in clinical nutrition

Jelena Veličković MD,

*Clinic for digestive surgery, University
Clinical Center Serbia, Belgrade, Serbia*

20:15-21:00 catering

Crnojević Hall

18:15-20:15 Session: SPECIAL THEMES

Chairs: Tatjana Goranović, Marija Krnjević

18:15-18:30 ECMO and other mechanical circulatory support in cardiac surgery?

Višnja Ivančan MD, PhD,

School of Medicine University of Zagreb,

*Department of Anesthesiology and Intensive Care Cardiac Surgery Patients, Clinical Center Zagreb, **Zagreb Croatia***

18:30-18:45 All in versus tailored anesthetic management in thoracic surgery: rethinking the costs and invasiveness

Marko Zdravković, MD, PhD,

Faculty of Medicine University of Maribor,

Faculty of Medicine University of Ljubljana,

*University Medical Center Maribor, **Maribor, Slovenia***

18:45-19:00 Frailty and peri-operative risk assessment in emergency surgery

Miodrag Milenović, MD, PhD,

Faculty of Medicine University of Belgrade,

*Department of Anesthesiology and Resuscitation, Emergency Center, Clinical Center of Serbia, **Belgrade, Serbia***

19:45-20:15 Discussion

20:15-21:00 catering

19:00-19:15 Target controlled infusion (TCI) anesthesia in thyroid surgery

Tatjana Goranović MD, PhD,

*Faculty of Medicine Osijek, Josip Juraj Strossmayer University Osijek, University Department of Anesthesiology, Resuscitation and Intensive Care Medicine Sveti Duh University Hospital, **Zagreb, Croatia***

19:15-19:30 Cochlear implant-anesthesia challenges

Biljana Shirgoska MD, PhD,

Medical Faculty Ss. Cyril and Methodius University Skopje,

*University Ear, Nose and Throat Surgery Clinic Mother Theresa, **Skopje, North Macedonia***

19:30-19:45 Transnasal Humidified Rapid Insufflation Ventilatory Exchange (THRIVEI) in Anesthesia for ENT procedure

Milana Zlatić-Glogoški MD,

*Department of Anesthesiology, Intensive Medicine and Pain Therapy Sestre Milosrdnice University Hospital Center, **Zagreb, Croatia***

Balšić Hall

18:15-19:00 Industry Symposium

Chair: Vesna Nišavić

18:15-18:30 INTERPHARM

T2DX innovative technology in rapid detection of sepsis

Hasib Lukač MD,

Department for Anesthesia, Intensive Care and Pain Therapy,

Clinical Center of Montenegro, Podgorica, Montenegro

18:30-19:00 OCTPHARMA

Perioperative correction of coagulation parameters

Dejan Marković MD, PhD,

Medical Faculty University of Belgrade,

Center for Anesthesiology and Reanimation University Clinical Center of Serbia, Belgrade, Serbia

20:15-21:00 catering

Media Center Hall

13:15-14:45 Storz's workshops

1. Flexible Intubation Videoendoscope in adults

Tatjana Goranović MD, PhD,

Faculty of Medicine Osijek, Josip Juraj Strossmayer University Osijek,

University Department of Anesthesiology, Resuscitation and Intensive Care Medicine

Sveti Duh University Hospital, Zagreb, Croatia

2. C-MAC Video Laryngoscopes in adults

Biljana Shirgoska MD, PhD,

Medical Faculty Ss Cyril and Methodius University Skopje,

University Ear, Nose and Throat Surgery Clinic Mother Theresa, Skopje, North

Macedonia

3. MAC VS/C-MAC imager in adults

Morena Milić MD, PhD,

Department for One-Day Surgery University Hospital Dubrava Zagreb, Zagreb,

Croatia

4. Flexible intubation Videoendoscope and C-MAC Video Laryngoscope in children

Renata Ćurić Radivojević MD, PhD,

Department of Anesthesiology, Reanimation, Intensive Medicine and Pain Therapy,

University Hospital Center, Zagreb, Croatia

Marijana Karišik MD, PhD,

University of Montenegro Faculty of Medicine,

Department of Anesthesiology, Reanimation and Intensive Care, Institute for

Children's Diseases, Clinical Center of Montenegro, Podgorica, Montenegro

15:00-17:30 Tracheostomy workshop

18:00-20:30 Cricothyroidotomy workshop

Dušanka Janjević MD, Msci, PhD,

ESA and EAMS instructor for "FONA" access, cricothyroidotomy, Novi Sad, Serbia

Saturday, October 14th

Petrović Hall

08:30-10:15 Session: *SPECIAL THEMES*

Chairs: *Natalija Trninić, Miodrag Milenović*

08:30-08:45 Disorders of the lower respiratory tract in the ICU, bronchoscopic view

Slavica Kvolik MD, PhD,

Perioperative ICU of Osijek University Hospital,

Medical faculty, Osijek, Croatia

08:45-09:00 One day surgery - a challenging role for anesthesiologists

Morena Milić MD, PhD,

Department for One-Day Surgery University Hospital Dubrava, Zagreb, Croatia

09:00-09:15 OSA: the tip of the iceberg of perioperative medicine

Ivana Zdravković Sorbello MD,

Department of Anesthesia and Intensive Care, Casa di Cura Gibiino, Catania,

Italy

09:15-09:30 Severe polytrauma management in the ICU, multidisciplinary approach

Natalija Trninić MD,

Central Intensive Care Unit of the Clinical Center of Montenegro, Podgorica,

Montenegro

09:30-09:45 Management of pediatric neurotrauma

Elma Baković MD,

Department of Anesthesiology, Reanimation and Intensive Care, Institute for Children's Diseases, Clinical Center of Montenegro, Podgorica, Montenegro

09:45-10:15 Discussion

Crnojević Hall

08:30-10:30 Session: *BALKAN ANESTHESIA PLATFORM I*

Chairs: *Meral Kanbak, Mirjana Shosholcheva, Rudin Domi*

08:30-08:45 Four horseman of apocalypse: Lactate, CRP, Albumine, PCT

Isil Ozkocak Turan MD, PhD,

University of Health Sciences, Gülhane School of Medicine,

Department of Anesthesiology and Reanimation Ankara Bilkent City Hospital,

Ankara, Turkey

08:45-09:00 Should the term "fluid responder" be redefined?

Serban-Ion Bubenek-Turconi MD, PhD,

University of Medicine and Pharmacy Carol Davila,

Anesthesia and Intensive Care Unit-Institute of Cardiovascular Diseases "Prof. C.C.

Iliescu", Bucharest, Romania

09:00-09:15 The permissive strategies in ICU: actual trend

Rudin Domi MD, PhD,

University Hospital Center in Tirana,

University of Medicine, Faculty of Medicine, Tirana, Albania

09:15-09:30 Vasopressin in sepsis

Andrijan Kartalov MD, PhD,

KARIL - Clinical Center Skopje, Skopje, Macedonia

09:30-09:45 Dysphagia in patients in ICU

Onur Ozlu MD, PhD,

TOBB Economy and Technology University Faculty of Medicine, Ankara, Turkey

09:45-10:00 Low flow Anesthesia-why do we need to complicate simple things?

Paul Zilberman MD,

Hadassah Medical Center Jerusalem,

Mount Scopus Campus Anesthesia Department, Jerusalem, Israel

10:00-10:30 Discussion

Balšić Hall

08:30-10:00 Oral presentations II group

Chairs: Ivana Budić, Dragan Milošević

Petrović Hall

10:30-12:30 Session: AIRWAY

Chairs: Dušica Janjević, Marijana Karišik

10:30-10:45 PUMA guidelines

Massimiliano Sorbello MD, FEAMS,

President of the European Airway Management Society,

Director of UOC Reanimation PO Giovanni Paolo II - Ragusa, Catania, Italy

10:45-11:00 Ultrasound guided percutaneous tracheostomy

Alan Šustić, MD, PhD,

Head of the Department of Anesthesiology, Reanimation, Emergency and Intensive Care Medicine, Faculty of Medicine University of Rijeka, Rijeka, Croatia

11:00-11:15 Difficult Airway Management: actual trend

Dušanka Janjević MD, Msci., PhD,

Honorary member of EAMS (European Airway Management Society),

Member of ESJV (European Society of Jet Ventilation),

ESA and EAMS instructor for cricothyroidotomy, Novi Sad, Serbia

11:15- 11:30 Airway management in head and neck pathology

Tatjana Goranović MD, PhD,

Faculty of Medicine Osijek, Josip Juraj Strossmayer University Osijek,

University Department of Anesthesiology, Resuscitation and Intensive Care Medicine Sveti Duh University Hospital, Zagreb, Croatia

11:30-11:45 A possible new path for bariatric surgery in airway management

Paul Zilberman MD,

Hadassah Medical Center Jerusalem,

Mount Scopus Campus Anesthesia Department, Jerusalem, Israel

11:45-12:00 Pediatric airway management: how far have we come?

Marijana Karišik MD, PhD,

University of Montenegro Faculty of Medicine,

Department of Anesthesiology, Reanimation and Intensive Care, Institute for Children's Diseases, Clinical Center of Montenegro, Podgorica, Montenegro

12:00-12:30 Discussion

12:30-13:00 coffee break

Crnojević Hall

10:30-12:45 Session: BALKAN ANESTHESIA PLATFORM II

Chairs: Feyhan Oktem, Jasmina Jakupović Smajić, Saimir Kuci

10:30-11:00 Peripheral nerve blocks with USG in adults and Peripheral nerve blocks with USG in children

Fatma Saricaoglu MD, PhD,
*Executive Board Member of European Society of Regional Anesthesia and Pain Therapy (ESRA),
Hacettepe University, Ankara, Turkey*

11:00-11:15 Hip fracture in elderly

K. Sanem Cakar Turhan, MD, PhD,
*Department of Anesthesiology and Reanimation Ibni Sina Hospital,
Ankara University Medical School, Ankara, Turkey*

11:15-11:30 Basic principles of TCI

Hulya Bilgin MD, PhD,
*Department of Anesthesiology and Reanimation,
University of Bursa Uludag, School of Medicine, Bursa, Turkey*

11:30-11:45 Neuromonitoring in carotid surgery - is the awake patient still the standard?

Dragan Milošević MD, PhD,
Clinic for Anesthesia and Intensive Care, University Clinical Center Banja Luka, Banja Luka, Republic of Srpska Bosnia and Herzegovina

11:45-12:00 New aspects of the old drug: Intraoperative and postoperative analgesia with systemic Lidocaine

Antigona Hasani MD, PhD,
*Department of Anesthesiology and Reanimation,
Faculty of Medicine/University of Prishtina, Prishtina, Kosovo*

12:00-12:15 Ketamine in neuroanesthesia new emerging evidence

Vesna Durnev MD, PhD,
*Medical Faculty Ss Cyril and Methodius University Skopje,
Department for Neurosurgical Anesthesia, Reanimation and Intensive Care University Clinic of Traumatology, Orthopedics, Anesthesia, Reanimation, Intensive Care and Emergency, University Clinical Center "Mother Theresa", Skopje, North Macedonia*

12:15-12:45 Discussion

12.30-13:00 coffee break

15:00-16:00 catering

21:00-01:00 Gala dinner

Balšić Hall

10:30-11:00 Industry Symposium

Chair: Marija Krnjević

10:30-11:00 THERMO FISHER SCIENTIFIC

What we could do together to improve our practice in ICU: Balkan consensus statement regarding PCT use in antibiotic stewardship

Radmilo Janković MD, PhD, FESAIC,

School of Medicine University of Niš,

Clinic for Anesthesiology, Reanimation and Intensive Therapy

University Clinical Center Niš, Niš, Serbia

12.30-13:00 coffee break

Media Center Hall

10:30-14:30 POCUS workshop

Course Directors: Prof. dr Meral Kanbak, Assoc. prof. Banu Kilicaslan, Prof. dr Yusuf Unal, Ankara, Turkey

10:30-12:00 Introduction and lectures (theoretical)

Chairs: Prof. dr Orhan Kanbak, Prof.dr Karamehmet Yildiz

10:30-10:45 Introduction into POCUS and essentials - Prof. dr Kutluk Pampal

10:45-11:00 Cardiac ultrasound - Prof. dr Yusuf Unal

11:00-11:15 Ocular ultrasound and intracranial pressure - Assoc. prof. Banu Kilicaslan

11:15-11:30 Airway ultrasound - Assoc. prof. Aysun Ankay Yilbas

11:30-11:45 Lung ultrasound - Prof. dr Dilek Kazanci and Assoc. prof. Kutluk Pampal

11:45-12:00 FAST Protocol - Prof. dr Isa Kilicaslan

12:00-14:30 Skills stations and hands-on training

Station 1 - Cardiac ultrasound - Prof. dr Yusuf Unal

Station 2 - Ocular ultrasound and intracranial pressure - Assoc. prof. Banu Kilicaslan

Station 3 - Airway ultrasound - Assoc. prof. Aysun Ankay Yilbas

Station 4 - Lung ultrasound - Prof. dr Dilek Kazanci and Assoc. prof. Kutluk Pampal

Station 5 - FAST Protocol - Prof. dr Isa Kilicaslan

15:00-16:00 catering

Petrović Hall

13:00-15:00 Session: PEDIATRIC ANESTHESIA

Chairs: Ivana Budić, Elma Baković

13:00-13:15 New transfusions guidelines in pediatrics

Dušica Simić MD, PhD

Department of Pediatric Anesthesia and Intensive Care, University Children's Hospital, Belgrade, Serbia

*Medical Faculty University of Belgrade, **Belgrade, Serbia***

13:15-13:30 Place for pediatric tracheostomy, anesthesiology point of view - our experience

Renata Ćurić Radivojević MD, PhD,

*Department of Anesthesiology, Reanimation, Intensive Medicine and Pain Therapy, University Hospital Center, **Zagreb, Croatia***

13:30-13:45 Procedural sedation and analgosedation in PICU

Ivana Budić MD, PhD,

Department of Surgery and Anesthesiology Clinic for Anesthesiology and Intensive Therapy, University Clinical Center Niš, Serbia

*Medical Faculty, University of Niš, **Niš, Serbia***

13:45-14:15 Debate: Pros and cons of neuromuscular blockers in pediatric anesthesia

Dušica Simić MD, PhD,

Department of Pediatric Anesthesia and Intensive Care, University Children's Hospital, Belgrade, Serbia

*Medical Faculty University of Belgrade, **Belgrade, Serbia***

Ivana Budić MD, PhD,

Department of Surgery and Anesthesiology Clinic for Anesthesiology and Intensive Therapy, University Clinical Center Niš, Serbia

*Medical Faculty University of Niš, **Niš, Serbia***

14:15-14:30 The 10-N rules in pediatric anesthesia

Marijana Karišik MD, PhD,

University of Montenegro Faculty of Medicine,

Department of Anesthesiology, Reanimation and Intensive Care, Institute for Children's Diseases,

*Clinical Center of Montenegro, **Podgorica, Montenegro***

14:30-15:00 Discussion

15:00-16:00 catering

21:00-01:00 Gala dinner

Balšić Hall

13:00-13:30 Industry Symposium

Chair: Marija Krnjević

13:00-13:30 FARMALAB

Safety of drug administration

Alan Šustić, MD, PhD,

Head of the Department of Anesthesiology, Reanimation, Emergency and Intensive Care Medicine,

*Faculty of Medicine University of Rijeka, **Rijeka, Croatia***

14:00-15:30 Oral presentations III group

Chairs: Slavica Kvolik, Dragan Milošević

15:00-16:00 catering

21:00-01:00 Gala dinner

Media Center Hall

16:00-19:00 Ultrasound guided vascular access workshop

Irena Simić MD,

*Department of Anesthesiology, Resuscitation and Intensive Care Klinik am Park Lünen – Klinikum Westfalen, **Dortmund, Germany***

21:00-01:00 Gala dinner
